## **WHAT DOES THE BIBLE SAY ABOUT ANGELS PART II**

### **I. CAN WE DO THINGS TO ATTRACT ANGELS INTO OUR LIVES?**

**EXAMPLE:** meditation, angel-charged crystals, writing letters to angels, color-coordinating our clothes (guardian angels like rose on pink, cherubims like blue, Michael likes gold, etc.)

**THE BIBLE SAYS:**            **PS 103:20**

**FROM THIS WE LEARN:**

1. Angels relate to us as directed by the Lord—not according to the color of our wardrobe.

### **II. CAN ANGELS CONTACT US THROUGH OUR OWN WRITING— IF WE SURRENDER OUR HANDS & MIND TO THEM?**

**THE BIBLE SAYS:**            **DEUT 18:10-12**

**FROM THIS WE LEARN:**

1. We are not to seek to contact “spirit beings.” God sends them as He chooses. Auto-writing is spiritualism.

### **III. CAN ANGELS BRING US TO A DEEPER LEVEL OF SPIRITUALITY?**

**THE BIBLE SAYS:**            **COL 2:18**                    **REV 22:8-9**

**FROM THIS WE LEARN:**

1. We are not to let anyone lead us into intruding into the unseen world. Col 2:18
2. We are commanded to not worship angels. Rev 22:8-9

### **IV. ARE ANGELS ALWAYS COMPASSIONATE?**

**THE BIBLE SAYS:**            **REV 8:5-13**                    **ACTS 12:21-23**

**FROM THIS WE LEARN:**

1. Angels often execute God’s Judgment upon mankind. Rev 8:5-13
2. Angels do not approve of any misuse of the honor due God. Acts 12:21-23

### **V. CAN ANGELS BRING MEANING & PURPOSE INTO OUR LIVES WITHOUT HAVING TO DEAL DIRECTLY WITH GOD?**

**THE BIBLE SAYS:**            **I TIM 2:5**                    **REV 22:8-9**                    **ISA 44:24-25**

**FROM THIS WE LEARN:**

1. There is but one mediator between humans and God. I Tim 2:5
2. True meaning & purpose is found only through a personal relationship with Jesus Christ. Jn 10:10
3. Holy angels always point away from themselves toward the Lord Jesus. Rev 22:8-9
4. God alone gives us knowledge and makes fools out of us when we ignore Him. Isa 44:24-25

### **VI. CAN ANGELS HELP US IN OUR INTER-PERSONAL RELATIONSHIPS?**

**(can my guardian angel work things out with their guardian angels)**

**THE BIBLE SAYS:**            **LK 6:27-38**                    **I JN 4:20-21**

**FROM THIS WE LEARN:**

1. God gives us instructions of how to get along with our fellow man. Lk 6:27-38
2. We are to love one another. I Jn 4:20-21

### **VII. CAN ANGELS HELP CLEAR & CLEAN UP OUR MINDS?**

**THE BIBLE SAYS:** **TITUS 3:5**                    **ROM 12:2**                    **PHIL 4:8**

**FROM THIS WE LEARN:**

1. Our minds are to be cleansed by the washing of regeneration. Ti 3:5
2. Our minds are to be renewed or replaced by thinking on the right things. Rom 12:2 Phil 4:8

## **CONCLUSIONS:**

1. We are not to call angel conferences to announce what we want out of life. We are to do His will.
2. Angels do not have special healing powers to rearrange your cells & build up your immune system. God is the only true source of healing.
3. Angels do not assist in 12 Step programs and serve as the higher power in people's lives. No holy angel would permit this. Rev 22:8-9
4. Angels do not function as co-pilots in you life. We are not told to "Let go & let angles." Rom 12:1 Angels are ministering spirits, not controlling auto-pilots. Heb 1:14
