## Godly Woman

The modern challenge to womanhood is the eternal challenge—that of being a godly woman. The very phrase sounds strange in our ears. We never hear it now. We hear about every other kind of woman — beautiful women, smart women, sophisticated women, career women, talented women, divorced women, but so seldom do we hear of a godly woman — or of a godly man either, for that matter.

I believe women come nearer fulfilling their God-given function in the home than anywhere else. It is a much nobler thing to be a good wife than to be Miss America. It is a greater achievement to establish a Christian home than it is to produce a second-rate novel filled with filth. It is a far, far better thing in the realm of morals to be old-fashioned than to be ultra-modern.

The world has enough women who know how to hold their cocktails, who have lost all their illusions & their faith. The world has enough women who know how to be smart. It needs women who are willing to be simple. The world has enough women who know how to be brilliant - it needs some who know how to be

brave & stick by it.

The world has enough women who are popular - it needs some who are pure. We need women, & men too, who would rather be morally right than socially correct.

Today is a very special day in our church, a time of special recognition & the consideration for the wonderful mothers that God has blessed our church with. Special recognition will be given to several mothers in attendance.

Let's remember to be faithful to God's church. So much remains to be done, & God needs your services to Him. Remember to attend every service & bring a friend.\*\*\*

3. **There will be temperature checks at the door. Anyone with a temperature or who is showing any other COVID-19 symptoms will not be permitted in the building. If you have a fever or other symptoms, please stay at home & come join us once you are better.**
4. We have sanitized the buildings & all AC ducts. The doors & pews will be sanitized after each service.
5. Hand sanitizer is located throughout the building. We would ask that everyone wash up when you come in, & please refrain from shaking hands & hugging at this time. We are a lovin’ church, but let’s save the love for once this has passed.
6. We will sit with social distancing in mind, family groups together, allowing plenty of space around you or your family unit. Please keep that space in mind, not only on your sides, but to the front & back of you as well. **Please respect the “CLOSED” signs on the pews.**
7. There will be no Sunday School, Nursery or Children’s Churches, Buses, or Vans Services.  
\*\*\*\*\***For the safety of our members we are taking the social distancing very serious. So, please help us by following the social distance guidelines & we can enjoy worshiping Jesus together again with our amazing Starlight Family! Please do NOT sit in a pew with a “closed” sign on it.**
